

Tredegar Announces Leadership of PE Films and Flexible Packaging

December 14, 2015

RICHMOND, Va.--(BUSINESS WIRE)--Dec. 14, 2015-- Tredegar Corporation (NYSE:TG) recently announced leadership of its PE Films and Flexible Packaging Films business units:

Stephen Prince has been appointed to President, Personal Care of Tredegar's PE Films division. He recently rejoined the company, having previously served in various roles from 1989 to 2010, including General Manager, Healthcare and Hygiene and Director of Business Development. Mr. Prince received his Bachelor of Arts in chemistry from St. Louis University and a Master of Business Administration from Washington University in St. Louis.

Bapi DasGupta has been promoted to President, Surface Protection of Tredegar's PE Films division. He has been with Tredegar since 2007, most recently serving as Vice President, Surface Protection for Tredegar Film Products. Dr. DasGupta has a Ph.D. and Master of Science in polymer science from the University of Akron in Ohio, an Executive Master of Business Administration from Washington University in St. Louis and a Bachelor of Science in chemistry from the University of Bombay.

Jennifer Aspell has been promoted to President, Engineered Polymer Solutions of Tredegar's PE Films division. She has been with Tredegar since 2010 when she assumed the leadership role for Bright View Technologies, a manufacturer of highly-advanced, optical management products based in Durham, North Carolina. Ms. Aspell received her Bachelor of Science in electrical engineering from Rensselaer Polytechnic Institute, a Master of Science in electrical engineering from the University of California, Berkeley, and Master of Science in management from the Krannert School of Management at Purdue University.

José Bosco Silveira, Jr. has been promoted to President of Tredegar's Flexible Packaging Films division. Mr. Silveira joined Tredegar in 2014 as Vice President, Flexible Packaging for Tredegar Film Products. He is based in Sao Paulo, Brazil. Mr. Silveira received his Bachelor of Science in electrical engineering from Vale do Paraiba University, a Master of Business Management from Instituto Nacional de Pós Graduação and a Master of Business Administration with a concentration in marketing from Getúlio Vargas Foundation. Additionally, he successfully completed the Advanced Management Program at Fundação Dom Cabral and Insead.
